SHINIGAMI DOGGY *1
第4幕
We Shinigami exist for the sake of human beings, nya.
Do you understand, rookies?
Guide the wandering souls kindly.
That is your job, nya.
Step
Step
Step
However, the living humans are the most important, so...
You must make the evil spirits, souls which can affect the living, disappear as quickly as possible, nya.
Do we really have to do that?
Yes, but do not worry.
You more than likely won't have to perform many exorcisms, nya.
For that is the work of special Shinigami.

Hugo!
Oh, Chairman! Hey there~!
Hey, hey! Will you trade your Doraimon for my Poriemon?
CAPTURED!!
YEAH!!
Why are you here playing hooky? Nya.
Huh? Well, you see~...
Game music~
All the evil spirits are too weak, it's so boooring~!
BAM
IT'S WORK!
ANYHOW, GO AND EXORCISE SOME EVIL SPIRITS, NYA!
GYA-N!

I'M SORRY! I'M REALLY SORRY! PLEASE FORGIVE ME!
I see. You have quite the cute expression.
ANY MORE THAN THIS AND...!
It's okay, just take off those clothes of yours like a good boy and take me in.
I'll see to it that you don't lose anything from this.
My heart aches every time I force you.
Is it not time for you to start giving me your body obediently?

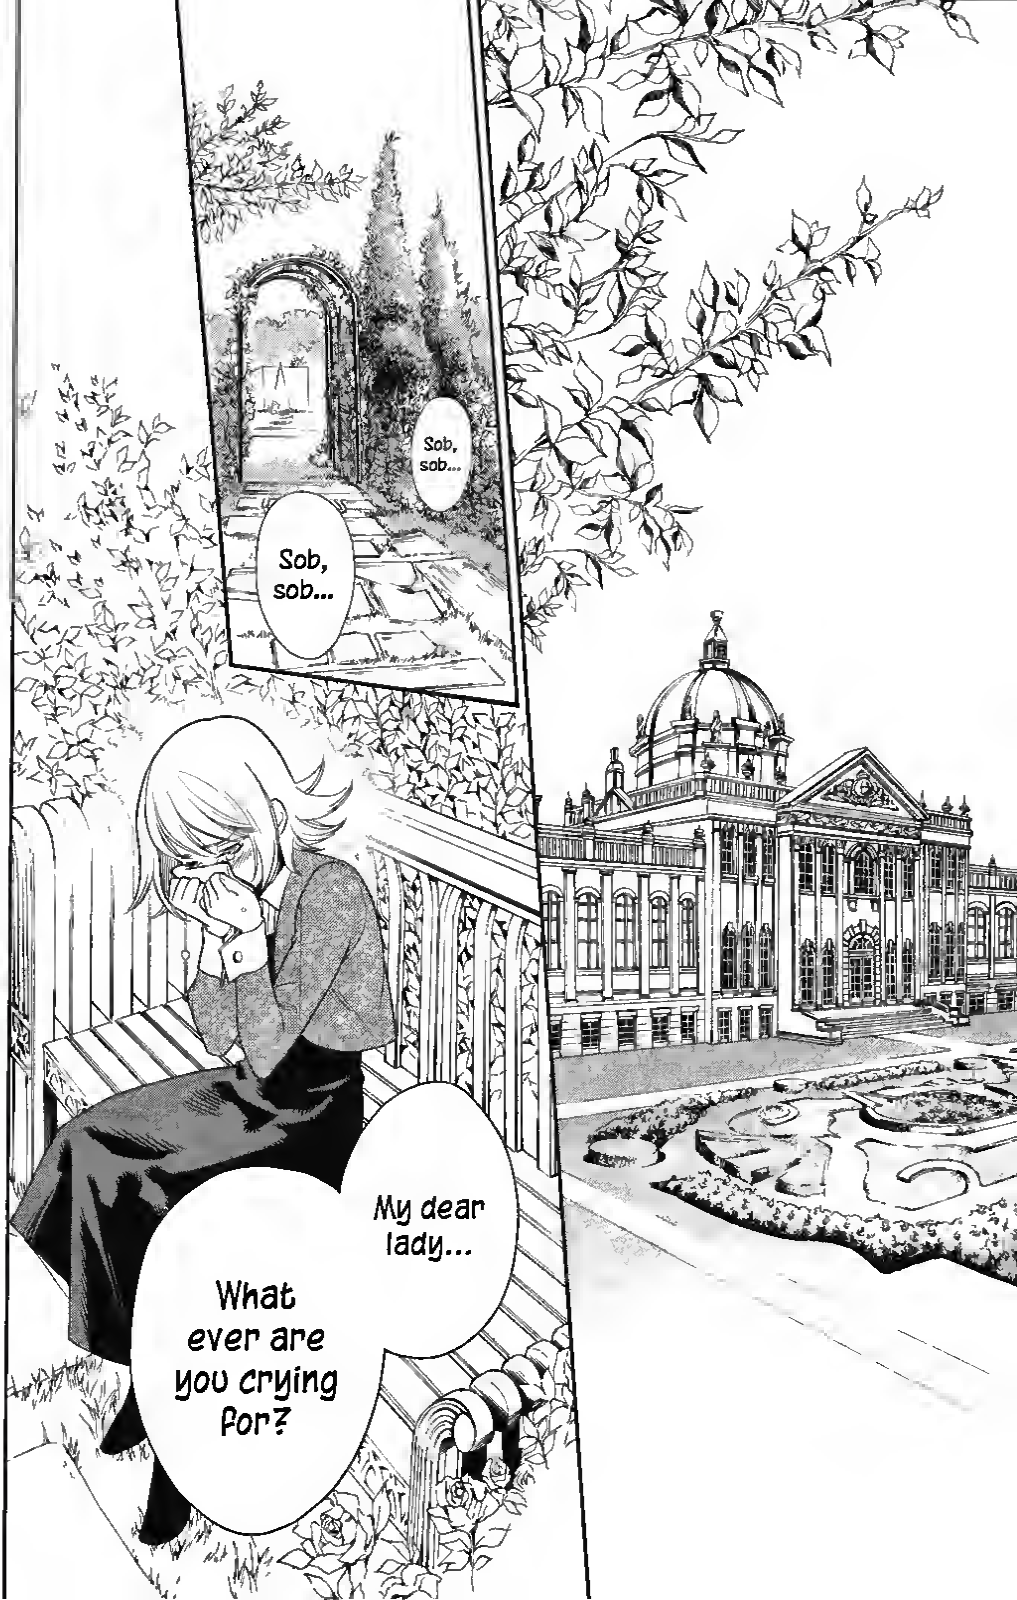
Hahahahaha~
Ahhh, my chest feels tight, I can't stop laughing~!
I beg of you, young man...
THAT'S NOT THE BEHAVIOUR OF SOMEONE WHOSE HEART ACHES, YOU BASTARD!
BAM
With that body of yours!
Make me the Academy's Prince once again!
Um...
Hey Shin, don't you hate men?
She's a Full-Fledged woman.
My sensor, which I cannot talk about in a shoujo manga, tells me so.
Ahem.

Just by looking at me, you know I have the beauty and the brains.
BAM
I had my teachers' utmost trust. You can find no fault in me.
With my charisma, I and the "Princess" became the school's support.
WOOSH
You understand, yes?!
The revival of this "Prince"...
Will not only save me, but the entire student body of St. Forrett Academy!

Listen to me!
For a dog, that's quite rude.
Eh? Oh, sorry. I thought it would be best to just ignore her.
Anyway, I earn my money by working part-time, so I can't help you.
I want my family to eat properly.
You don't seem to have any troubles with food, though.
T-That's...
Thump

I-I didn't buy all this just for Ken.
I had too many gifts left over from Pachinko.
Make a dish or two with this!
I wonder what made Ryuu-san... want to give us so much food?
But this really helps us out~!
Kyaa~
Kyaa~
That bastard...
Is this a new way of harrassing us..?

Anyhow, you had no choice in the matter from the start.
Allow me to separate you from your body.
POKE



Sob, sob...
Sob, sob...
My dear lady...
What ever are you crying for?

Float
A rose fairy who appeared to wipe away those tears of yours...
Shall we leave it at that?
Who're you...?
Let's see...
Slip
Please smile.
Smile even more beautifully than this rose.
Until happiness pays you a visit, I will be watching over you.
Please wait!!
At least tell me your name...!

No...
A blue rose...
That's not possible...!
Sigh
What is this?
That person...
She has the same Miracle Rose as the late Otome-sama?!

St Forrett's Prince has been revived?!
JUST KILL ME NOW, PLEASE!

You don't have any friends at your current school anyway; nothing would change if you transferred into another.
Sh-Shut up!
But there will be girls all around you~!
It has not yet been noticed that this body is a male's...
Dressing as a girl, whispering sweet words to girls...
Throwing around mysterious roses, I just can't take it!
It wouldn't be so bad to live a life in a forbidden harem.
Imagine
Imagine
You'll be able to see areas of a girl that have been hidden from you up until now...
Imagine
This place and that...
Oh, and THAT place as well~!
Of course, as a gentleman, it is impossible for me to do such a thing.
DREAM

Even if you fall in love with someone, the body is that of a male's. You can't blame the people around you.
!?
Blush
Wah
Wah
Don't say things like "fall in love!
Stop it!
Besides, I don't have time for things like love...
It's disgusting!
Wah
Wah
Wah
How troublesome
...Inexperienced in love, I see.
Step
Step
Step
Step

The Princess is passing through!
WOOSH
This time it's white roses?!

The lower-class student over there, what are you doing?
Lower your head and make way.
Hm?
The over-confident rose-filled aura from just then is gone...
Turn
.....
Step
Stomp
!?
Oh my...
my apologies
I smelt something of the poor and thought it was a piece of rubbish...

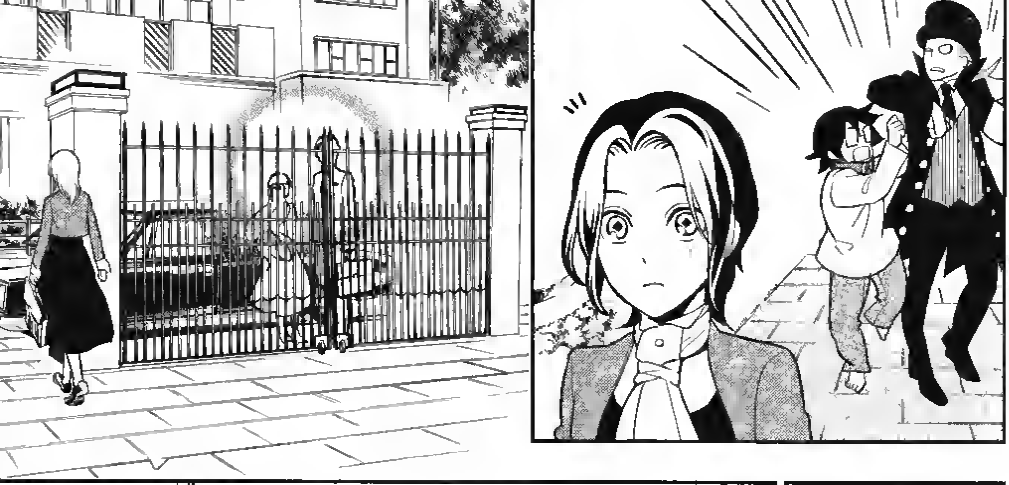
You bi-...!
Princess!
I will prepare another set at once.
Oh dear, the smell may have stained my shoe...
POOR...
SMALL...
SLAM
You! A low-class student like yourself, daring to disobey the Princess?!
Even if it is true,
it is not good to say such a thing.
FALLS
Kya!?
Wait, Princess!

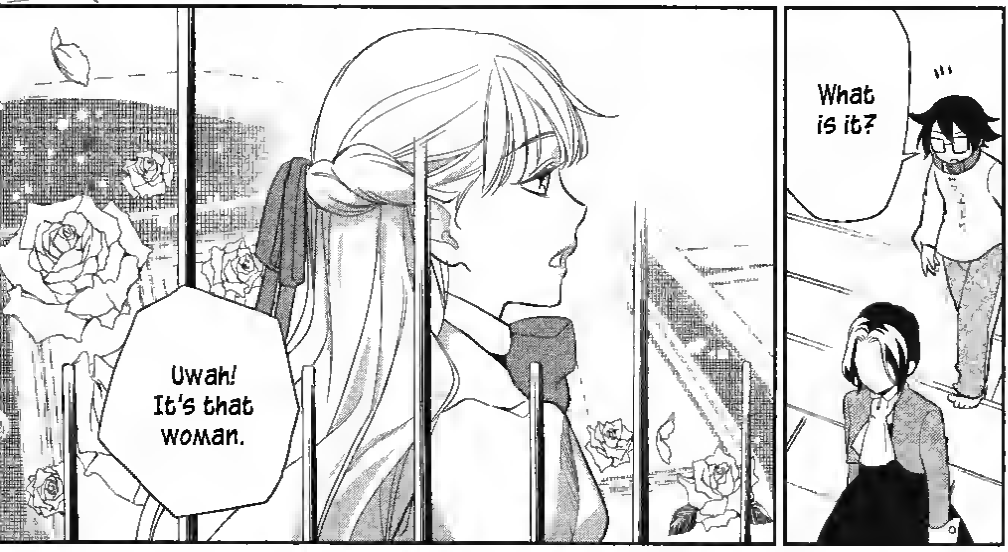
Are you alright?!
Ouch!
!
SLAP
Don't touch me!
You there.
...We're leaving.
Yes, Princess.

May we have a moment?
.....

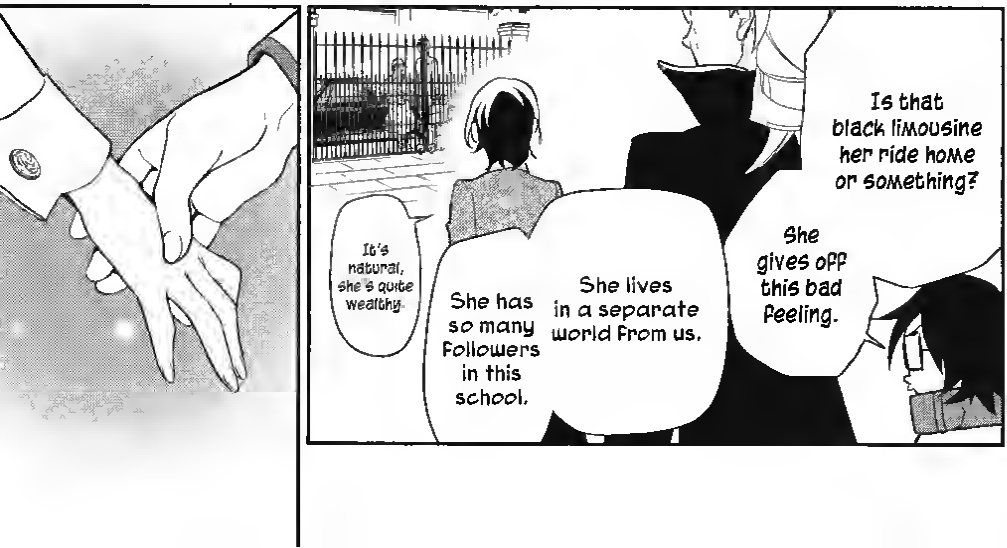
Horrible...
Look at what they did to my body!
What a deplorable state...
SQUELCH
You can just shut up...
Don't touch my body
no matter what type of harrassment, your radiance cannot be erased.
Of course,
Pull
So why did you let them pick on you?
You could have thrown some roses and escaped.
And you...

I caused the Princess to fall, so I am at fault...
I will accept the punishment.
Flick
That's not it, if you don't resist at all, my body...
Well this is also entertaining.
It makes me look quite charming.
Let's leave it at that for today.
Start from the beginning!
The legend of the new "St Forrett Prince" now begins!
WHAT?! No, no, no, no, no!
sigh
An all-girls senior high school is somewhat scary...
Wait, I didn't say anything about helping!
Hurry up and give me back my body!
Then with my power, I shall prepare the admiss-
Don't do it, you idiot!





Uwah! It's that woman.
What is it?



Is that black limousine her ride home or something?
She gives off this bad feeling.
She lives in a separate world from us.
She has so many followers in this school.
It's natural, she's quite wealthy.

Then the guy next to her is her butler or something?
So tall...
No.
He's just a male student who commutes to a school which has a younger history than our own.

My...
Childhood friend...

Turn
I returned to my own body...
Ah.
Slip
Hey, what's wrong?
...I see.
TL/N It's to do with how the Kanji is written, i.e Love
I-Itoshi?
As expected of a male dog inexperienced in love.
It means "love".
!?
?
"Itoshi Itoshi to iu Kokoro".
Am I correct?
Stops
She is...

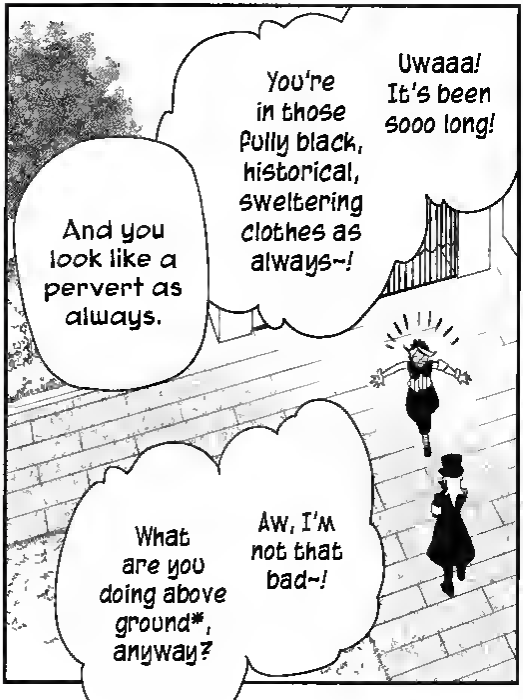
Towers over
TALL
Hey, shorty, shorty
...In love with him...
That...

THUMP
!?
Slip
Don't be jealous, you're not that kind of dog.
Don't think you're all that just 'cuz you're tall!!!
Your imagination is over the top.

Don't just fling her away!
Hide below those rose bushes over there and protect her.
Huh? Hide from what...?
It's an order from your master; so hurry up, you foolish dog.
If you're found, you will die...
No.
Your soul will be erased as well.

The Chairman uses us shinigami so roughly...
Geez.
Tap

*TL/N: On Earth



Uwaaa! It's been sooo long!
You're in those fully black, historical, sweltering clothes as always~!
And you look like a pervert as always.
Aw, I'm not that bad~!
What are you doing above ground*, anyway?

Shin-senpai!?
WHOA
...Hugo.

Bloody hell
Out of everyone, it just had to be the most troublesome guy...
I've got this area, so you go somewhere else...
I'm obviously here for an exorcism.
Are you being sentimental and...
That why you're here too, senpai?
I came here because I felt the presence of an evil spirit.
"Shin-senpai"...?
So this guy is his kouhai?
Grab
You smell of,
men and evil spirits.

Now, why would the men-hating senpai smell of a guy other than myself?
It's a little weird.
And of an evil spirit.
It seems as though...
Both of them were here until just a little while ago...

"Brothers who have committed a sin will be apprehended, constrained and receive sever punishment."
"Permission is granted to deal with any and all resistance with force."
"The result: Fatal - Brother's annihilation; the sin does not matter."
What nonsense are you speaking of..?
Fufufu.
Senpai, did you know that you close your eyes when you lie?
...It smells of something naughty.
Well, who cares about what's going on?
Release
Seems like I won't be bored for once.
I don't quite get it, but...
That sunglasses guy...
Well senpai?

Trouble!!!
LET US KILL~!
